REGULAR MEETING
OF THE TRAFFIC COMMITTEE
CITY OF WEST COVINA

Tuesday **3:00 p.m.**
November 17, 2009 **City Hall, Room 314**
Management Resource Center

A G E N D A

I. REQUEST:

Jesus Novoa, West Covina Resident

THAT THE TRAFFIC CONDITION ON ORANGE AVENUE FROM NORTH GARVEY AVENUE TO PUENTE AVENUE BE REVIEWED.

SUMMARY:

The residents of Orange Avenue submitted a petition requesting the installation of a multi-way stop and any necessary means in hopes of reducing the excessive vehicular speeds. Staff has conducted traffic volume and speed studies that determine the type of traffic controls that would be most effective.

STAFF RECOMMENDATIONS:

THAT STOP SIGNS, STOP AHEAD SIGNS, AND APPROPRIATE PAVEMENT MARKINGS BE PLACED ON THE NORTH AND SOUTHBOUND APPROACHES ON ORANGE AVENUE AT PACFIC LANE.

THAT RIGHT EDGE STRIPING BE ADDED ALONG ORANGE AVENUE FROM NORTH GARVEY AVENUE TO PUENTE AVENUE.

THAT THE RADAR TRAILER BE UTILIZED TO MAKE DRIVERS AWARE OF THEIR VEHICLE SPEED ALONG ORANGE AVENUE AND THE POLICE DEPARTMENT INCREASE SPEED ENFORCEMENT AS FEASIBLE.

II. REQUEST:

Dwanold Davis, West Covina Resident

THAT PARKING ON HILLWARD AVENUE FROM 1408 TO END OF STREET BE RESTRICTED TO PERMIT ONLY PARKING.

SUMMARY:

In response to the request to restrict parking on Hillward Avenue, a postcard survey of the 12 affected properties was conducted. Ten responses were received. Five (42%) of the properties are in favor of the permit only parking, five (42%) of the properties are not in favor of the permit only parking and two did not respond. However, the last three homes at the end of the street are in favor of the permit only parking.

STAFF RECOMMENDATION:

THAT PARKING ON HILLWARD AVENUE FROM 1408 TO END OF STREET BE RESTRICTED TO PERMIT ONLY PARKING.
