A. ORAL COMMUNICATIONS

This is the time when any member of the public may speak to the Commission on any matter within the scope of duties assigned to the Commission. Other matters included on this agenda may be addressed when that item is under consideration. For all oral communications, the chairperson may impose reasonable limitations on public comments to assure an orderly and timely meeting. The Ralph M. Brown Act limits the Planning Commission and staff's ability to respond to public comments at this meeting. Thus, your comments may be agendized for a future meeting or referred to staff. The Commission may ask questions for clarification, if desired, at this time.

By policy of the Commission, Oral Communications at this time on the agenda is limited to a total of 15 minutes. Persons who are not afforded the opportunity to speak at this time may do so under Item E. later on the agenda.

You are encouraged by this Commission to express your views on any matter set for public hearing. It is our procedure to first receive the report of the Planning staff, then to ask for public testimony; first from those in favor of the matter, followed by testimony from those in opposition to it, and, if there be opposition, to allow those in favor, rebuttal testimony only as to the points brought up in opposition. To testify on a matter, you need to simply come forward to the lectern at the appropriate time, give your name, and make your statement. In addition, please fill out a speaker card provided at the podium so it will facilitate preparation of our minutes. Do not be concerned with your possible lack of experience in public hearings. We are interested in what you say, not your level of expertise as a public speaker.
