The West Covina Adopt-A-Park program is a cooperative venture that celebrates community spirit and fosters civic responsibility. The program is designed to enhance the condition and beauty of our City parks through the volunteerism of individuals, community organizations, and businesses. Groups that adopt a park make a difference by picking up trash, cleaning play areas, painting picnic shelters, and more. Groups that adopt a park for six months or longer will be eligible to receive special recognition as a member of the Adopt-A-Park Program.

Contact the Community Services Department at (626) 939-8489 for more information.
