- a. City Council Resolution requires \$96.36 per hour for staff time actually spent in the preparation and processing of applications. In addition, any time required of the City Attorney will be billed at the attorney's current rate.

An initial deposit of \$8,000.00 shall be required at the time of submittal of the application, from which the items above (the filing fee and hourly charges) will be funded. When the deposit is used up, additional deposits may be required by the Planning Director before work on the application resumes.

- b. Environmental Impact Assessment: The Planning Director will use the Guidelines and Procedures incorporated in the California Environmental Quality Act (CEQA) to evaluate the potential environmental impact of proposed projects. If it is found that a proposed action is not categorically exempt from CEQA, the following fees shall be required and charged to the applicant to prepare or process the required environmental impact documents:

- I. Fish and Game Environmental Review Fee: Fish and Game Code Section 711.4 requires a fee for reviewing projects which may have an adverse effect upon fish and wildlife resources. This fee, payable to the Department of Fish and Game, is \$2,280.75 for a project involving a negative declaration of environmental impact, and \$3,168.00 for a project involving an Environmental Impact Report.
