The parties agree that the following Fire Departments shall be utilized within the survey: Cities of Alhambra, Burbank, Downey, Fullerton, Montebello, Monterey Park, Ontario, Pasadena, & West Covina, the Chino Valley Independent Fire District and the County of Los Angeles

2) If the City obtains new on-going General Fund revenue exceeding three million dollars annually establish competitive pay and benefits by setting compensation levels based on the fire departments that are ranked two and three within the survey referenced in subsection A of this Side Letter. WCFFA’s compensation will be half of the difference between 2nd and 3rd ranked fire departments in subsection A of this Side Letter. WCFFA’s compensation will make WCPFA the new third-ranked fire department on the labor market survey.

C. Consumer Price Index Adjustment

If the City obtains new on-going General Fund revenue exceeding three million dollars annually, the parties agree that the City will pay all current employees who are WCFFA members a one-time Consumer Price Index adjustment.
